Art

Year 5 - Autumn 1

Tudor Portraits - Holbein

Links to Prior Learning

Previously, you have learnt:

- To draw self and family portraits.
- To sketch realistic shapes.

Who were the Tudors?

The Tudors were a family that ruled England and Wales from 1485-1603.

Henry VIII was the most well known member of the family.

Who was Hans Holbein?

Hans Holbein was a German print maker and artist.

He worked in a Renaissance style. Holbein began by painting murals and religious works.

He travelled to England in 1526.

By 1535, Holbein became King Henry VIII's official portrait painter.

Tudor Portraits

Artists were employed by the Kings and Queens to create portraits.

The portraits helped show their wealth and royal status.

What do you notice about the position and posture in the portraits?

How would you describe the clothes?

Key Vocabulary

Portrait: A painting or drawing or a person.

Traditional: Pportraits that look realistic and true to life.

Proportion: The size of parts within the whole relative to each other.

Tone: How light or dark a colour is.

Posture: The way a person sits, stand or holds their body.

Expression: The look on a person's face.

Drawing Facial Features Proportionally
