Key Vocabulary

Monet: A French Painter.

Impressionism: A painting style that shows the effect of light and colour.

Realistic: A true idea of what is seen.

Horizon: the line where the Earth's surface and sky appear to meet.

Reflection: an image seen in a mirror or other shiny surface.

Highlight: a bright area of an image.

Scale: the size of something.

Monet

Claude Monet (1840-1926) was a French artist.

He was an impressionist who focussed on showing nature in his Artwork.

Cityscapes

A cityscape is a landscape featuring aspects of a city.

Monet painted the Houses of Parliament many times.

Discuss:

How they are different?

When they might have been painted?
