Year 5 - Autumn 1
"Picasso Faces"

What I am learning

- To describe people's hair, eyes and facial features.
- To use adjectives correctly in Spanish.
- To build longer descriptive sentences.
- To describe works of art inspired by Pablo Picasso.
- To create and describe my own Picasso portrait.

Do You Remember the Colours Song?

Amarillo, azul, rojo, blanco, negro, marrón, naranja, morado, rosa, verde!

Tiene la cara... – It has a... face.

Tiene la nariz... – It has a... nose.

Tiene los ojos... – It has... eyes.

Tiene el pelo... – It has... hair.

Did You Know?

Pablo Picasso was one of Spain's most famous artists. He became famous for creating colourful portraits using unusual shapes and facial features. In this unit, you'll create your own Picasso-inspired portrait and describe it in Spanish.

Grammar Reminder

Adjectives usually come AFTER the noun in Spanish.

Example:

ojos azules ✔

nariz pequeña ✔

pelo largo ✔

Remember to make adjectives agree with masculine, feminine and plural nouns.
