Tesco In-Store Vote Update!

We are delighted to let you know that your application to Tesco Stronger Starts has been successful and your project will be put forward to a customer vote in Tesco stores. Voting will commence in store from the first week in April 2024 until the end of June 2024.

Aylward Primary School - Outdoor Music Orchestra

In the words of Einstein, "life without playing music is inconceivable to me. Outdoor instruments will allow our youngest pupils to create music."

The project with the highest number of votes across your region will receive £1,500 (or the amount that was requested up to this value), the second placed project £1,000 (or the amount that was requested up to this value), and the third placed project £500. To re-iterate, if you are first in the vote, you will receive the amount that you requested in your application (or the amount that was requested up to £1,500).

To vote, you will need to make a purchase within store of any value. You will receive one token per transaction and it's not necessary to purchase a carrier bag in order to receive a token.

In the highly unlikely event that voting is suspended in certain locations due to government guidelines, we will notify you and the following action will be taken. At the end voting period, if voting has taken place for at least four weeks, the votes will be counted and grants awarded as per the standings at that point. If voting has taken place for less than four weeks, we will award each of the groups in the vote £1,000 (or the amount that was requested up to this value).

Additional information

Please note the below advice in terms of do's and don'ts before and during the voting period:

Do:

- Cast your vote as soon as you receive your token for a project in the current voting round
- Only submit Stronger Starts tokens to cast your vote

Don't:

- Tamper with the voting unit (otherwise your project may be void from the vote)
- Influence customers casting their vote at the voting unit
- Take more than one token from the self-serve checkouts
- Encourage supporters to hoard then submit multiple tokens in the voting unit
- Promote your project in store without permission from the Store Manager
- Collect Stronger Starts tokens from stores that are not within your region to vote for your project

Please note, if you do not adhere to this guidance, this may affect your grant award.

Kind regards and congratulations!

Good luck in the voting!
