Music
Y6 Autumn 2

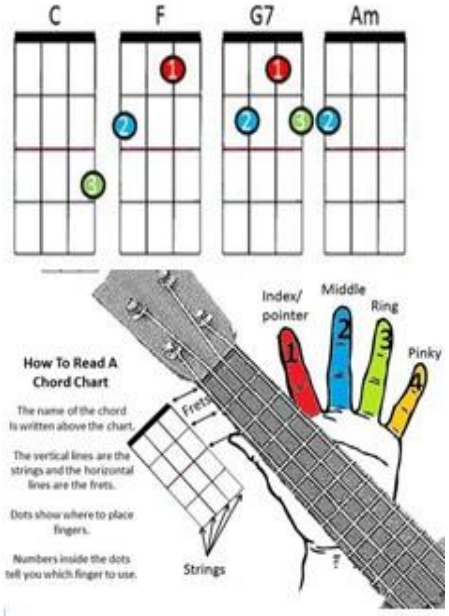

Ukulele

What I know already:

To read rhythms confidently using cat, monkey, caterpillar, dog and rest

To recognise high and low notes

To know that music is written on a stave

By the end of this unit I will be able to:
To know the names of the different strings
To know how to play the different chords
To be able to change from tab music to chords
To learn how to read tab music

Key Vocabulary

Chord– 3 notes played together **Fret**– bars on the ukelele

Strum– running the fingers up and down lightly across the strings

Pluck– plucking on the string

Melody– a sequence of different notes to create a tune

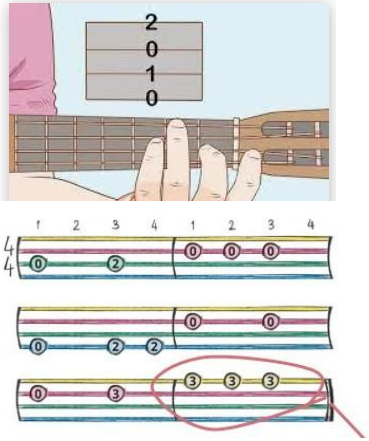

C/F major/A minor, G7 - Chords on ukulele

Tablature - short for tab music

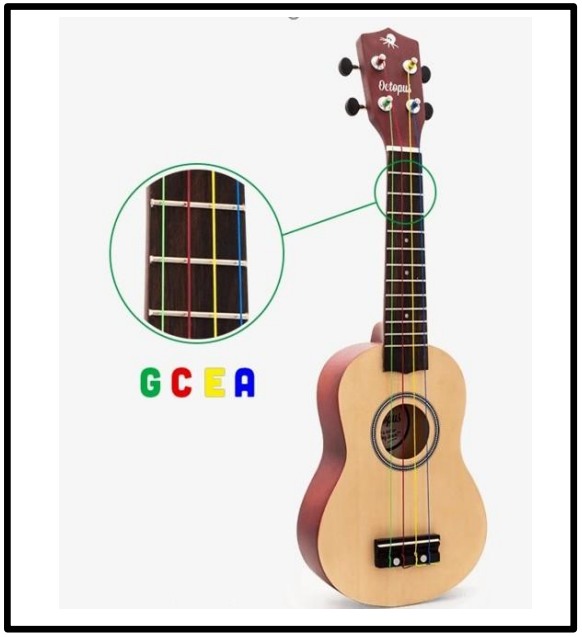

Tab - reading ukulele music

Notation - Music written down

Reading Tab

The number on the line tells you where you need to press down on that string. Remember to press between the two bars (frets) not on

Checklist

- Am I holding the ukulele correctly?
- Are the strings in tune?
- Am I picking/strumming with the correct fingers?
- Am I in time with the other musicians?
