

Nursery - Autumn 2

Celebrations and Winter.

Hanukkah is a Jewish festival.

Eid is an Islamic festival.

Christmas is a Christian festival.

Diwali is a Hindu, Jain and Sikh festival.

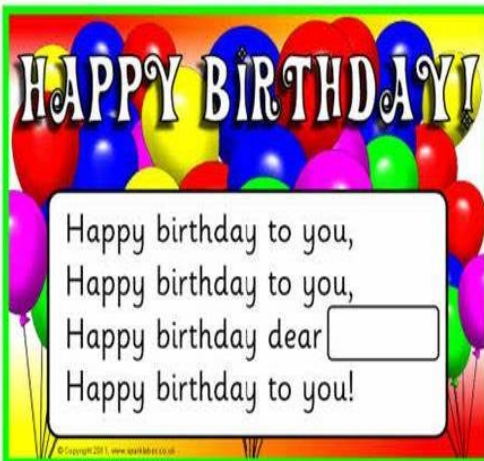

Find objects that feel like the words below.

Describe what they feel and look like.

We need to wear more layers of clothing during winter to keep us warm.

We will be learning about different celebrations over the coming weeks.

With an adult can you discuss:

- When is your birthday?
- How do you celebrate your birthday?
- What other special events or festivals do you and your family celebrate together?
- What do you do on these special days?

We are now moving from Autumn to Winter.

Discuss with a grown up the changes can you see outside.
